

Young investigators are invited to apply for the ESCNR Young Investigators Award. The award session will take place during the 9th European Symposium Delivery Room Management on the 9th of March 2018 in Dresden, Germany.

The audience will select the best presentation by vote.

For successful applicants the costs for accommodation (100 €) and registration fee are covered.

To apply for the award submit your abstract at (jjvvonderen@gmail.com)

Requirements for the abstract are:

- Maximum word count (body) 250 words
- Research should be original (no case reports) and should not be published
- Subject of the research should be neonatal transition or resuscitation
- Applicants should not have a PhD-degree

Dead-line for abstract submission is January 14th 23:59 hrs CET
